Interim Results for the six-month period to 30 June 2023

Tanfield, an investing company as defined by AIM Rules, announces its half year results for the period ending 30 June 2023. The unaudited financial information will shortly be available on the Company website at www.tanfieldgroup.com.

Background

- Tanfield is a 49% shareholder in the equity of Snorkel International Holdings LLC ("Snorkel") following the joint venture between the Company and Xtreme Manufacturing LLC ("Xtreme") (the "Contemplated Transaction"), a company owned by Don Ahern of Ahern Rentals Inc, relating to Snorkel, in October 2013.
- The Snorkel investment is valued at £19.1m. The outcome of the US Proceedings referenced below could have an impact on this valuation.
- On 22 October 2019, the Company announced that it had received a Summons and Complaint, filed in Nevada (the "US Proceedings") by subsidiaries of Xtreme, relating to the Contemplated Transaction.
- On 24 October 2019, the Company announced it had become necessary to issue and serve a claim in the English High Court (the "UK Proceedings") against its former solicitors acting for the Company at the time of the Contemplated Transaction. On 18 October 2022, the Company announced that it had settled its claims in relation to the UK Proceedings on a no-fault basis.
- The Company's loss in H1 2023 reduced to £154k (H1 2022: £499k) primarily as a consequence of a reduction in legal expenditure following the settlement of the UK Proceedings, and the elimination of finance expenses following the repayment of borrowings, in late 2022.

Overview of investments

As announced on 18 May 2023, in the first quarter of 2023 Snorkel's sales increased by 4.4% to US\$43.5m (Q1 2022: US\$41.7m). Whilst the increase in sales was a fairly modest US\$1.8m in value, the EBITDA for the first quarter of 2023 improved to a US\$0.2m profit (Q1 2022: US\$3.5m loss), an improvement of some US\$3.7m. Further information relating to the recent performance of Snorkel can be found in the 18 May 2023 announcement.

The Company is now focussed on the US Proceedings which are continuing, with a jury trial currently scheduled to take place in early 2024. However, the Board expect the trial date will be rescheduled to around the summer of 2024. The Board continue to believe that a positive outcome to those proceedings is possible. So far as it is necessary, the Company will continue to vigorously defend its position whilst continuing to seek advice.

Further updates will be provided to Shareholders as and when appropriate.
